

Motor Cover

Fixed Base for Skirt
(attached to base aux. shelf)

See AST-10-A02

Drive-Tractor
Shroud (removable;
probably attached
with screws)

Note: This part should be made of aluminum sheet. It would probably be constructed as a complete circle then cut into four pieces. See Drawing AST-10-A01 for the configuration of the azimuth drive beneath this skirt.

Moving Skirt
(attached to fork)
