

Enclosure Base, Front Wall

- Base&top plates: 8x3x3/16 structural tubing (2/truss)
- Uprights: 8x3x3/16 structural tubing (2/truss)
- Diagonal braces: 3x1x11ga structural tubing (6/truss)
- Rectangular attachment plates: 3/8 plate (4/truss)

ONE of these front end trusses is required for the enclosure. The rear wall is essentially the same, though.
